

TAILORED TO SUIT YOUR IMAGE:

Branded & Personalised Graphic Options

Premium and Hospitality Range products can be *tailored* to suit the image and identity of your organisation. One way many of our clients choose to *tailor* their products is to take advantage of the impressive and professional looking graphic techniques we offer. Some examples of these are shown below:

A = Vinyl Text or Digitally Printed Logos on product glazing (cut or cut out lettering)

B = Digitally Printed Graphics applied to part or whole whiteboard surface, maintaining Drywipe ability

C = Vinyl Text or Digitally Printed Logos applied to recessed or standard Header Plates

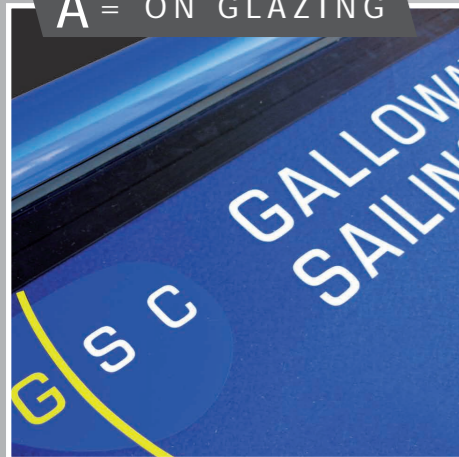

D = Vinyl Text or Digitally Printed Logos applied to Header Panels

E = Printed Logos applied directly to pin board fabric surface

C = ON HEADER PLATES

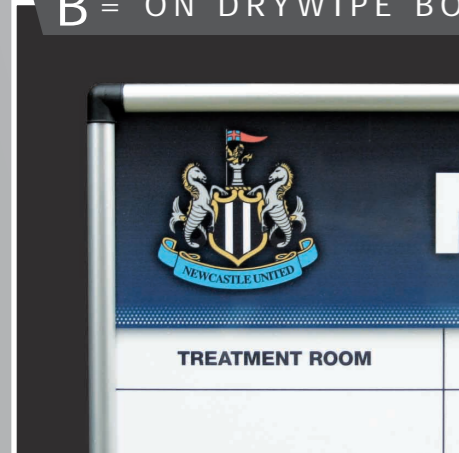

A = ON GLAZING

D = ON HEADER PANELS

B = ON DRYWIPE BOARDS

E = ON PIN BOARD FABRIC
